Dear LaVillle Elementary Families,

Welcome back to school! I hope you've found time to disconnect and reconnect this summer: disconnect from things that disrupt, frustrate or distract and reconnect with things that fill your bucket and make you feel alive!

This summer, I had time to connect with family and friends as well as nurture a garden. There is something satisfying about seeing a seedling grow into something remarkable. Just like gardeners, our teachers are excited to foster and witness the growth of your children this school year. Despite the ongoing pressures of the educational climate, we still consider education to be the most rewarding profession and LaVillle Elementary to be a great place to be a student or staff member.

It takes a village, and we look forward to your continued partnership this school year!

Best,

A handwritten signature in black ink that reads 'Hope Amor'.
