Now that the holidays are here, it is sometimes difficult for our children, and even families, if we have experienced the loss of a loved one or someone who we were close with. Dustin's Place in Plymouth is here to help! And it's **FREE!!** Click [here](#) for more information.

Kindergarten

We hope you have a fabulous break and enjoy the holiday season with your family and friends! Keep working with your child on tying their shoes and zipping up their coats. Hats and gloves are a must for outside recess so don't forget to send them with your child each morning.

1st Grade

First graders will have a fun winter reading challenge they can complete over winter break. They can glue a marshmallow on their mug for each challenge completed and then decorate the mug. We will celebrate our readers after break with a hot chocolate party.

2nd Grade

We had a great first semester! We hope that you have a wonderful break and we look forward to seeing your kiddos again on January 10th!

3rd Grade

We've had a productive first semester in 3rd grade! If you are looking for ways to stay connected to school over break, we suggest reading books you enjoy as well as finding fun ways to practice your multiplication facts!

5th Grade

We are looking forward to growth in our diagnostic tests! We are finishing the year strong with fun activities! May you stay safe and warm over break!

6th Grade

The second semester flies by in 6th grade as we get ready to transition to the junior high. We will be doing our Junior Achievement classes shortly after we return and will head to Elkhart for the Biztown experience in March. If you would like to be a part of this experience, look forward to our email/paper that we will send out as we need several adult participants!
