LaVillle Elementary Newsletter March 2023

Principal: Hope Amor

We hope everyone had a great Spring Break! We can't wait for Kindergarten Registration (next Wednesday). Please share [this link](#) with people you know interested in enrolling at LV next year!

Assistant Principal: Nick Kaczynski

We had a great 3rd quarter PBIS party before spring break. I am already looking forward to our last PBIS party of the year! Parents, please continue to call your students in when they are absent. Thank You!

Food Service Director: Cindy Hanson

Our school uses Meal time for our point of sale for meals. They have a fast, secure online website for making credit card or debit card deposits or monitoring your students meal account. Go to www.mymealtime.com and follow directions. You will need your students 5 digit ID number. Also, it's not too late to get financial aid if you need it. Fill out the form online on the school webpage or contact Debbie Keen in the front office for more information. Thank you!

Elementary Treasurer: Debbie Keen

School fees have been due since 12/1/2022. If you have not paid these fees please contact the office to make arrangements to get this taken care of. Balances left at the end of the year will be sent to the next stage of the collection process.

Kindergarten

We are going to the Potawatomi Zoo on Tuesday, April 25th! Please be on the lookout for permission slips to be coming home in your child's folder. We are so proud of all the growth our kindergarteners have made this past quarter. Keep practicing your sight words at home!

1st Grade

We are proud of all the readers who hit a home run for the Swoop and Stu Reading Program. We are looking forward to a fun night watching the SB Cubs at Four Winds Field on Friday, April 14th. Ticket information was sent home for families wishing to purchase additional tickets.

2nd Grade

We are so proud of our students' growth and perseverance!! We are looking forward to our measurement unit in math. Students have also been working hard on their animal book!

“The Union-North United School Corporation has the mission of empowering and inspiring students to excel in service, leadership, academics and personal growth.”

5th Grade

We plan to finish strong this last quarter! We are studying geometry in math. Students will find area, volume, and measurements. In social studies we are learning about events leading up to the American revolution. In language arts, we have been learning about idioms and figurative language. We will continue working on the writing process.

6th Grade

We are excited to announce our field trip to the Chicago Museum of Science and Industry coming in May! We are extremely busy before that arrives as we finish up our Science lessons and start Health, have Mrs. Beehler coming to start our Catch! Kids club discussions, and we plan our trip over to the Junior High to tour the building and chat with current students.

P.E.

We are wrapping up our Kid's Heart Challenge Fundraiser. The students have till April 7th to raise money. The class that brings in the most money will get a pizza party during P.E.. Thank you to everyone who registered online or raised money so far!
