WELCOME TO LAVILLE!

MRS. ASHLEY ZIELOMSKI, SECRETARY

Greetings, my name is Ashley Zielomski. I have lived quite a life in my short 33 years on this planet and have a wide set of skills. To be honest I never really knew what I wanted to do. But now I get the pleasure of being your secretary. At the age of 17 I joined the Army and never got the chance to look back. I went all over the world including 2 combat tours to Afghanistan and a couple missions to foreign countries including Germany, Egypt and South Africa to name a few. While in the Army I met my amazing husband Eric of almost 11 years now and we decided to settle down and start a family. We have 2 proud Lancers, JZ and Eggy. I stayed home for a few years and after some time went back into the workforce and became a sheriff's deputy. After becoming pregnant with Eggy I chose to go back to school. I graduated from Arizona State University (Go Sundevils) with my BS in Exercise Science and I am still in pursuit of my Masters in Exercise Science. I taught for 3 years. I love my family more than anything and we all love sports. I coach High School softball and still play in my free time. My family and I love to travel and go to new places. My family and I enjoy outdoor things such as camping, hiking and fishing. I am a huge foodie and love to cook and try new foods. I am excited for the wonderful chance to be a Lancer and look forward to a bright and long future here at LaVille.

MISS AUDREE NARKAWICZ, MUSIC TEACHER

Hello Lancer Families!

My name is Audree Narkawicz and I will be proudly serving as the music teacher at LaVille Elementary! A little about myself, I graduated from IU South Bend with a degree in music education with an instrumental focus. My primary instrument is the flute but I have experience on all woodwind and most brass instruments! I also have experience conducting marching ensembles as I spent my entire summer in 2022 with the Colts Drum and Bugle Corps! In my free time I enjoy playing with community ensembles and spending time at home with my boyfriend, James, our dog Kida, and our two cats Beans and Zelda. I also plan to spend some of my free time this fall with Mr. Banks and the Royal Regiment Marching Band spreading more love and knowledge for music and the marching arts. I'm very excited to start the school year and build musical relationships within the LaVille community! I'm looking forward to an awesome first-year teaching!
