Welcome back to a brand new school year! We are so excited to be back and see so many new and familiar faces. My name is Lisa Feitz, I am the School Psychologist for Union-North United School Corporation. Prior to being in this position, I taught special education for several years here at LaVille Elementary. My role is to support students in grades Pre-K to 12+ academically, emotionally, socially, and behaviorally in a variety of ways. I work closely with building administrator teams and teachers to ensure your students' success while they are here with us at LaVille. If you have any questions or concerns regarding special education evaluations, please feel free to reach out to me by email at lfeitz@unorth.k12.in.us.

Welcome back and I hope everyone is enjoying their meals in our great cafeteria! Here's a few reminders to help our cafeteria run smoothly:

- Students, when you enter the serving area please keep your voices down. Our servers need to be able to hear the students as they make their choices for their tray. THANK YOU!
- Parents, everyday our meal program Meal Time sends an automatic statement to your email if your student went negative and owes money. Please check your spam folder, it's been reported a few times that this has happened.
- You can go to mymealtime.com and create an account for your student(s) and track their meal activity.
- You can set up an alert from them for low balance warning, and also deposit money with a credit card.
- Our school policy is that students can charge meals for up to two days which is \$8.50 total before we can't charge anymore. Students will need to pack lunches until the debt is paid.
- If you need financial assistance contact the front office or fill out the form on the school webpage.

Thank you,
Mrs. Hanson, Food Service Director
