MCKINNIES REALTY TEACHER OF THE MONTH: MRS. SHANNON CIGAN

Mrs. Cigan consistently goes above and beyond for her students. She has the patience and tolerance that we can all envy in education. As the 1st grade team leader, she provides the guidance and support for team members that is accepted and appreciated. Shannon has made tremendous growth as a classroom teacher. This is indicative of her dedication to our craft and the students she serves. We are proud to have Shannon Cigan as the first grade teacher and team leader. Congratulations, on being nominated as LaVillle Elementary teacher of the month.

Testing Tips for Families

1. Have students get plenty of rest each night.
2. Avoid medical appointments during assessment windows.
3. Ensure your child eats a good breakfast (at home or school).
4. Encourage your child to do their best.
5. Stay positive! Don't make a big deal about the test. If us adults stay calm about it, so will our students!
