Hello LaVille Families,

My name is Dr. Ernesto F. Martinez and I am excited to begin another year as Principal at LaVille Elementary School!

One of the things that I truly appreciate about LaVille Elementary School and Union-North United School District is the overwhelming sense of community that exists. The dedication and commitment of the staff, students, and families is second to none!

As we embark on another school year, I want to thank you for your continued support and partnership. As a school, our success relies greatly on collaboration between school and home. Together, we will continue to build upon LaVille traditions while we grow our school to provide the best educational experience for our students.

Thank you again for being part of the LaVille community. Should you ever have any questions, concerns, or ideas – please do not hesitate to reach out. I am always a phone call or email away!

I appreciate you!

Dr. Ernesto F. Martinez
